

### Turn 1

switch those boring little brown ones with something cuter and brighter, like those pastel sweet things people love? ..... (Darken the drink on the left to a , richer color. Add a fresh, fruity red accent near the baked items for a juicy pop.)

#### Toolbox

### Turn 2

Replace the plate near the edge with brown pastries with something brighter and more playful. Change the dark pouring bottle to a lighter, soft pink version.

### Turn 3

Restore the left drink to its original look. Add a fancy round ice sphere to the right drink for extra sparkle.
